Heh, not again  
Ohh, this ain't supposed to happen to me

Keep rockin', and keep knockin'  
Whether you Louis Vuitton it up or Reebokin'  
You see the hate, that they're servin' on a platter  
So what we gon' have, dessert or disaster?

I never thought I'd be in love like this  
When I look at you my mind goes on a trip  
Then you came in, and knocked me on my face  
Feels like in I'm a race  
But I already won first place

I never thought I'd fall for you as hard as I did  
(As hard as I did, yeah)  
You got me thinkin' bout our life our house and kids,  
yeah  
Every mornin' I look at you and smile  
'Cause boy you came around and you knocked me  
down  
Knocked me down

Sometimes love comes around  
(Love comes around love comes around)  
And it knocks you down  
Just get back up  
When it knocks you down  
(Knocks you down)  
Sometimes love comes around  
(Love comes around)  
And it knocks you down  
Just get back up  
When it knocks you down  
(Knocks you down)

I never thought I'd, hear myself say, ooh, ya'll gon'  
head  
I think I'm gonna kick it wit my girl today, kick it wit my  
girl today  
I used to be commander and chief  
Of my pimp ship flyin' high, flyin' high)

Til I met this pretty little missile that shot me out the sky  
(Oh shot me out the sky)

Hey, now I'm crashing, don't know how it happened  
But I know it feels so damn good  
Said if I could back, and make it happen faster  
Don't you know I would baby if I could  
Miss Independent, ohh, to the fullest, the load never  
too much  
She helpin' me pull it  
She shot the bullet that ended that life  
I swear to you the pimp in me just died tonight  
Girl sometimes love

Sometimes love comes around  
(Love comes around)  
And it knocks you down  
Just get back up  
When it knocks you down  
(Knocks you down)  
Sometimes love comes around  
(Love comes around)  
And it knocks you down  
Just get back up  
When it knocks you down  
(Knocks you down)

Tell me now can you make it past your Caspers  
So we can finally fly off into NASA  
You was always the cheerleader of my dreams that  
Seem to only date the head of football teams  
And I was the class clown that, always kept you laughin'

We, were never meant to be baby we just happen  
So please, don't mess up the trick, hey young world I'm  
the new slick rick  
They say I move too quick, but we can't let the moment  
pass us  
Let the hourglass pass right into ashes

Let the wind blow the ash right before my glasses  
So I wrote this love letter right before my classes  
How could a goddess ask, someone that's only  
average  
For advice, OMG, you listen to that bitch?  
Whoa, it's me, baby this is tragic  
'Cause we had it, we was magic

I was flyin', now I'm crashin'  
This is bad, real bad, Michael Jackson  
Now I'm mad, real mad, Joe Jackson

You should leave your boyfriend now, I'mma ask him

Say you gotta put the good with the bad, happy and the sad

So will u bring a better future than I had in the past

Oh Cause, I don't wanna make the same mistakes I did

I don't wanna fall back on my face again

Whoa, whoa, I'll admit it, I was scared to answer love's call

Whoa, whoa, and if it hits better make it worth the fall  
(When it comes around)

Sometimes love comes around

(Love comes around)

And it knocks you down

Just get back up

When it knocks you down

(Knocks you down)

Sometimes love comes around

(Love comes around)

And it knocks you down

Just get back up

When it knocks you down

(Knocks you down)

Won't see it coming when it happens, hey

But when it happens you're gonna feel it, let me tell you now

You see when love knocks you down

Won't see it coming when it happens

But when it happens you're gonna feel it, let me tell you now

You see when love knocks you down

Yeah
