[Intro:]

Let's get it let's get it let's get it let's get it let's get it
let's get it let's get it

[Chorus:]

Whatever you bout I'm bout
Whatever you with I'm with
Whenever you ready all you gotta do is say let's get it
All you gotta say let's get it
All you gotta say let's get it
All you gotta say let's get it
Let's get it
Let's get it
Whatever you bout I'm bout
Whatever you with I'm with
Whenever you ready all you gotta do is say let's get it
All you gotta say let's get it
All you gotta say let's get it
All you gotta say let's get it
Let's get it
Let's get it

[Verse 1:]

Ok mother fucker let me tell you something
I'm in it with my squad and all us out here bucking
We know how to set it off but we don't know how to
dougie
One wrong move homie we go have you ducking
And 200 for these damn Jordan's so ain't went to
stomping
Pay 50 bucks for this throwaway so I am with the upping
One thang I can promise you boy we ain't with them
bluffing
Got me a small clique and my homeboys and the rest
of 'em my cousins
That's my homeboy and he fucked up but ain't nobody
here go touch him
He came with me and he go leave with me and that's
the end of discussion
Let's get it let's get it
All you gotta say let's get it
Everybody in my circle want it

You bet believe that I love 'em let's get it

[Chorus:]

Whatever you bout I'm bout
Whatever you with I'm with
Whenever you ready all you gotta do is say let's get it
All you gotta say let's get it
All you gotta say let's get it
All you gotta say let's get it
Let's get it
Let's get it
Whatever you bout I'm bout
Whatever you with I'm with
Whenever you ready all you gotta do is say let's get it
All you gotta say let's get it
All you gotta say let's get it
All you gotta say let's get it
Let's get it
Let's get it

[Verse 2:]

My dawg just call me right
Said he got a cable right
Told me if we slide right now we go get this cash right
Told you you know I'm bout it boy
All you gotta do is holler boy
One phone call away I'm out here with my dawg boy
Let's get it let's get it
All you gotta do is say let's get it

I'm out here you know bout me
I'ma tell you now I'ma show bout me
It's a hustler thang but my damn my D
I die for them cause they'll die bout me
Let's get it let's get it
All you gotta do is say let's get it
Ok mother fucker let me tell you something
Ok mother fucker let me tell you something
Let's get it let's get it
All you gotta do is say let's get it
Let's get it let's get it
All you gotta do is say let's get it

[Chorus:]

Whatever you bout I'm bout
Whatever you with I'm with
Whenever you ready all you gotta do is say let's get it
All you gotta say let's get it
All you gotta say let's get it
All you gotta say let's get it
Let's get it

Let's get it
Whatever you bout I'm bout
Whatever you with I'm with
Whenever you ready all you gotta do is say let's get it
All you gotta say let's get it
All you gotta say let's get it
All you gotta say let's get it
Let's get it
Let's get it

[Verse 3:]

Hustle for the frankalin
Messing with the Benjamin
Everyday I'm out here trying to come up with a master
plan
I'm just trying to hustle man
I keep thinking bout robing man
Only thing I need right now is run it cross bout six and
sayings
Ain't nobody go give me nothing so I might as well
gone take the chance
You ain't got no money dawg and you go be a lonely
man
I gotta make some sake
I gotta make some sake
My dawg just called my phone and this is all he yelling
on the other end is let's get it let's get it
All he keep on yelling is let's get items get it
All he keep yelling is let's get it let's get it
All he keep yelling is let's get it let's get it
Fuck it dawg don't whisper let's get it

[Chorus:]

Whatever you bout I'm bout
Whatever you with I'm with
Whenever you ready all you gotta do is say let's get it
All you gotta say let's get it
All you gotta say let's get it
All you gotta say let's get it
Let's get it
Let's get it
Whatever you bout I'm bout
Whatever you with I'm with
Whenever you ready all you gotta do is say let's get it
All you gotta say let's get it
All you gotta say let's get it
All you gotta say let's get it
Let's get it
Let's get it
