I'm on 'gnac, she on Goosey
All my niggas keep they toolie
I'm in Chevy, he in Dualie
Me and my niggas, we finna make a movie

I'm on 'gnac, she on Goosey
All my niggas keep they toolie
I'm in Chevy, he in Dualie
Me and my niggas, we finna make a movie

Six Chevys, back to back
I drink brown, they drink white
Paint wet, engine tight
This our city, we run lights

Hustle all day, stunt at night
Pistol on lap, who gon' jack?
Pulled up, Da REAList, pourin' out da whips
Time to show, who got chips

My dawg trippin', left his clip
Liquor store, one more fill
Hog in the trunk, beatin' in yo ear
Mids screamin', highs clear

Spot a stack on my gear
Fuck them niggas, our year
Motion picture, right here
Stop this bitch, let's make a movie right here

I'm on 'gnac, she on Goosey
All my niggas keep they toolie
I'm in Chevy, he in Dualie
Me and my niggas, we finna make a movie

I'm on 'gnac, she on Goosey
All my niggas keep they toolie
I'm in Chevy, he in Dualie
Me and my niggas, we finna make a movie

Better grab a seat and some popcorn
'Cause me and my niggas finna put on

Some in the streets, all of 'em strong
Couple my niggas just came home

Ridin' candy, sittin' on chrome
Pants hangin', grill showin'
Wildin' hard, every set we on
Catch me standin' on the hood of my chrome

We don't play nothin' but my songs
Them niggas ain't real they just rap, hoe
'Fore it's over, money gettin' thrown
Holdin' up traffic, are we wrong?

I'm on 'gnac, she on Goosey
All my niggas keep they toolie
I'm in Chevy, he in Dualie
Me and my niggas, we finna make a movie

I'm on 'gnac, she on Goosey
All my niggas keep they toolie
I'm in Chevy, he in Dualie
Me and my niggas, we finna make a movie

Over to the club, shuttin' it down
Ain't no secret when I'm in town
Party's closed, says who, Plies
Here you go, couple thousand

In this corner, only goons allowed
All the goons, we make 'em proud
My dawg on pills, let him wild
Just give him a water and a towel

Right song, come on, bop through the crowd
Wanna crank up the club, put on Plies
Time to throw money, I ain't threw it in awhile
Slangin' money, let it pile

I'm on 'gnac, she on Goosey
All my niggas keep they toolie
I'm in Chevy, he in Dualie
Me and my niggas, we finna make a movie

I'm on 'gnac, she on Goosey
All my niggas keep they toolie
I'm in Chevy, he in Dualie
Me and my niggas, we finna make a movie
