Hook:

I heard they do whatever if you pay enough
tell to suck the nigga get your paper up
I walk up in this bitch with some paper top
diming to the right get paper cutz,
paper cutz, get paper cutz,
see me diming to the right get paper cutz,
yeah I heard they do whatever if you pay enough,
see me diming to the right get paper cutz.
I wanna buy the price is like nino,
I take a nigga bitch I call him the Franko, damn
woke up this morning ain't the speeding to
read it the whole flow I ain't the fawn blue,
remix the chopper make the fow push,
now you can hear shit when I shoot,
Lord smoke attention bought the whole pow,
Lord went Jay bought the whole pow,
every hundred day I'm fly old zin
I told her that she gonna fuck and one free band,
Last but I just wish major roll,
and this what I have to switch my holds up, damn
I barely mean crib on the man ..
that's we all fuck nigga keep hate
I might put you..in the front yard
that's yall fuck nigga can hate hard

Hook:

I heard they do whatever if you pay enough
tell to suck the nigga get your paper up
I walk up in this bitch with some paper top
diming to the right get paper cutz,
paper cutz, get paper cutz,
see me diming to the right get paper cutz,
yeah I heard they do whatever if you pay enough,
see me diming to the right get paper cutz.
Every Monday night I fuck another scurb
I told her she cant stay and she like oh yeah
she act the can I take a whole, I told the cow quicker
she ask me why I'm acting fun I told her 'cause I didn't
rip her
I talked to a minute kind of way I got a bank roll,

keep my own money what I need a bank for,
just left the trap I mean the drive through
why you see us talking I didn't rob you,
ten cars all in my mama name,
Plies..homie..the magic game
it's been a hundred dollars since I want deep
To get neck promise since she want damn
bro on the phone talking big money,
talking when I get a can tell me shit money
millie on, that's a lot of band
the cow on that gonna take a lot of hands

[Hook:]

I keep diming, I keep diming, I keep diming, I keep
diming
I'm talking hunder after hunder, after hunder keep on
coming
I keep diming, I keep diming, I keep diming, I keep
diming
I'm talking hunder after hunder, after hunder I keep
diming.
