I know a lot of niggas think that I know a lot of deal

but I don't hatin with the pussy they don't wanna them

and if you test me for this real and test it positive,

and if you brought me in the pot I bet I rocked them

and if you put me on the stand I better stand up

and if you put me rise the p**sy better on..then

and you can put me on my dick I better come up again
