[Plies talking]

Bruh bruh (bruh bruh)

I got 'bought 80 stacks in my pockets right now bruh  
bruh

(Wanna rob myself, wanna rob myself, wanna rob  
myself)

And this the first time I ever though about robbin'  
myself bruh bruh

(Wanna rob myself, wanna rob myself, wanna rob  
myself)

I was walkin' 'round in my crib last night and said,  
\"Damn, I wanna rob myself\"

[Chorus 2x]

I'm a million dolla nigga (Wanna rob myself)

I'm in the coupe windows clear

(Wanna rob myself)

Seventy-thousand in my ears (Wanna rob myself)

This a half a mill right here

(Wanna rob myself)

[Verse 1]

Hey Plies it's a robbery, get up!

I'm talkin' to myself though, what the fuck?

G-F four-fifty that's the biggest truck

Yo jewelry 'gainst mine nigga put it up

This a robbery don't move, don't buck

Got eighty stacks in my pocket nigga I gotta bump

Tight jeans don't work when your pockets stuffed

Another one-fifty in the whip add it up

I talk big boy shit so I gotta bust

Got the forty on my waist right by my gut

Say she like a nigga jewelry but don't touch

I wanna rob myself bitch I know wassup

[Chorus 2x]

I'm a million dolla nigga (Wanna rob myself)

I'm in the coupe windows clear

(Wanna rob myself)

Seventy-thousand in my ears (Wanna rob myself)

This a half a mill right here

(Wanna rob myself)

[Verse 2]

Looked in my garage and I got nervous  
Half a mill worth a cars I ain't James Worhty  
Know my neighbors must be sayin' this nigga ridin'  
dirty  
Momma was washin' my clothes and said she found  
thirty  
Thirty stacks and I ain't missed it must mean I ain't  
hurtin'  
Told her gon' keep it buy some more damn detergent  
I ain't bought nothin' all day I feel like a virgin  
Don't step on my rug 'cause this shit Persian  
I ain't playing that's what the interior decorator told me  
Let me have some of my foam 'cause the nigga owe  
me  
Told me he was on the dick that's how the nigga sold  
me  
I'mma hit 'em in his shit, that's what I told 'em

[Chorus 2x]

I'm a million dolla nigga (Wanna rob myself)  
I'm in the coupe windows clear  
(Wanna rob myself)  
Seventy-thousand in my ears (Wanna rob myself)  
This a half a mill right here  
(Wanna rob myself)

[Verse 3]

Count a mill and a half and I'll stop countin'  
Took some pictures of that shit that shit look like a  
mountain  
Said, \"God damn I can buy a lot of houses\"  
Said, \"Hell nah dad'll send me ??\"  
And you snitchin' ass niggas, ya'll need some snitchin'  
counseling  
First forty-eight a nigga man you niggas wild'n  
I don't fuck wit checks  
'Dey got to worry 'bout 'em bouncin'  
I'm a strip club nigga that deal with cash only  
Reason I bought that fuckin' Bentley, I was kinda lonely  
Felt like a bachelorship wit nobody on me  
I'mma rob myself bruh in one moment  
Got some real fuckin' clear diamonds fuckin' on me

[Chorus 2x]

I'm a million dolla nigga (Wanna rob myself)  
I'm in the coupe windows clear  
(Wanna rob myself)  
Seventy-thousand in my ears (Wanna rob myself)  
This a half a mill right here

(Wanna rob myself)
