Chorusx2- Somebody loves you baby, o o o  
Somebody loves you baby, ooooooooooooooooooh

Verse 1-Wish i can hug every nigga who done lost trial  
And go see all da ones that visits in a while  
See all da goons dats down wish i can help em smile  
To show my niggas i love em ill walk a 100 miles  
Bless my dawg who got killed in his own house  
Help em pull thru if dey on life support now  
Da only thing i live 4 is to make my son proud  
My heart go out to all da young niggas dats runnin wild  
I said a prayer for all da mamas who done lost dey  
child  
Da 12 year old who wanna f\*\*k God slow her down  
Her life all of shammers help her to turn it around  
Please reach out and help her God before she drown

Chorusx2- Somebody loves you baby, o o o  
Somebody loves you baby, ooooooooooooooooooh

Verse 2- I know dat feeling when it feel like nobody  
care  
When you goin thru yo problems seem like nobody  
there  
I started to question myself if God really care  
Sometime i cut off all da lights in da room and stare  
Wonder if he brought this far to drop me off here  
I know it seem sometimes like life aint fair  
They say da only thing you count on in dis world is  
prayer  
I prayed so much i thought dat God couldnt hear

Cuz i done been thru so much bullshit dis past year  
Its hard to find motherf\*\*kas now dats sincere  
Da streets make so hard for you to think clear  
I'd give up all dis shit to have my brother here

Chorusx2- Somebody loves you baby, o o o  
Somebody loves you baby, ooooooooooooooooooh

Verse 3- I got a call form my home girl her mama died  
Somebody home invaded took her mama life

I just held da phone and listen to her cry  
She kept repeating herself all she asked was why  
Can only imagine what she goin thru on da inside  
Cuz when my brother went to prison half of me died  
Aint nothin more precious in da world homie than life  
Gotta take da good wit da bad and take it stride  
Da right amount of pressure can make you commit  
suicide  
Imagine da pressure on a nigga who cant provide  
When everything goin wrong its hard to do right  
If u goin thru it right now all i wanna say is....

Chorusx2- Somebody loves you baby, o o o  
Somebody loves you baby, ooooooooooooooooooh
