[Chorus x2]

I need me a bitch that pussy smell like water,  
Nice, tight, wet pussy wit no odor,  
Before you take them panties off I got question fo ya  
All I wanna know if that pussy smell like water.

[Verse 1]

I don't care when you get it her pussy still smell the

Period just went off and you can't smell a thang  
Pussy smell den touch like she was thirteen  
Clean pretty pussy make a nigga get off the chain  
Fuck her when she leave the club pussy smell the same  
Pretty face and a clean pussy a nigga dream  
Pussy smell like water a get ya on the team  
I wanna freak ya and fuck ya I ain't tryna smell ya  
Wanna raise that lil pussy and take care of ya

Wanna sit by the tub baby and watch ya bathe  
Stick my hand under the water  
And touch ya in the right place  
And get in there wit ya baby and make our own ways  
Drop the soap and watch ya reach and grab ya by ya
