(feat. Xtra)

You know I got that yay, yay, yay, yay, yay, yay, yay
You know I got that yay, yay, yay, yay, yay, yay, yay
You know I got that yay.

All white kids, keep em in the coop
20 cent vibe, let them bitches lu,
Scrap em down good, didge upon the gater,
wanna see unlocka, hit that bill, that backing,
spranglin on the green, that will get you a cam
80-100 flat, gotta get you them yam,
flexin with the work, that will get your jam,
formally with the yay, gotta get your man.

You know I got that yay, yay, yay, yay, yay, yay, yay
You know I got that yay, yay, yay, yay, yay, yay, yay

I tell your fucking stove, tip off me a scale,
this got a couple of things and makes you come in the
mill,
rap em in about it, that's gonna hot the smell,
when the yay A1, it's gonna send the sale
everything might go, everything for sale,
I don't trust these niggas, 'cause they don't trust they
sell,
All white teeth, I'm matching with the yay,
One in the hand and on my himpin, bitch that's every
day

You know I got that yay, yay, yay, yay, yay, yay, yay
You know I got that yay, yay, yay, yay, yay, yay, yay

I'ma ride it, tryin to be some real rock,
kept me in the kitchen, bitch I work it two pot,
Bitch I'm riding greedy, tell me nigga two block,
bitch they ain't got..about, I got.. to do so,
but almost shot me a nigga, thought I've seen them
clutching,
You know I keep that beat by, and I ain't got time for the
fuck me

I just sat me a sale, I fuck a nigga 'cause them police,
Niggas asking too many questions,
I ain't know that shit, boy you know me.

You know I got that yay, yay, yay, yay, yay, yay, yay
You know I got that yay, yay, yay, yay, yay, yay, yay
You know I got that yay.
