Take me back to the days when I could not wait to wake
up,
Weird hair, didn't care what to wear cause no matter
what, I still felt loved.
Take me back to the days, when losing a game was the
worst thing I knew.
Getting thrills off of little stuff that now, I just can't do.

I can't stand growing up, I'm going too fast.
Well just a second I miss my past.
Yeah being old has it's perks,
But I miss my old friends,
And the way the shit used to be
I wanna start again.

I can't stand growing up, I'm going too fast.
Well just a second I miss my past.
Yeah being old has it's perks,
But I miss my old friends,
And the way the shit used to be
I wanna start again.

I miss, everything.
I wish that you could.

Take me back to the days when school wasn't a chore.
Now I have to play hookie to hide from the things that I
used to not want to ignore.
Take me back to, the world that I knew before, the love
was taken.
Another smile drop, listen while time stops now...

I can't stand growing up, I'm going too fast.
Well just a second I miss my past.
Yeah being old has it's perks,
But I miss my old friends,
And the way the shit used to be
I wanna start again.

I can't stand growing up, I'm going too fast.
Well just a second I miss my past.
Yeah being old has it's perks,

But I miss my old friends,
And the way the shit used to be
I wanna start again.

Take me back to the days when I hated to fall asleep.
If I could I know I would spend a day under my sheets.
Take me back to the life, when I can know myself again.
I wish I could, I wish I could,
But I can't
