Finally, for once,  
I will pull my weight this time,  
No more falling behind.  
I was too scared to do the things  
I swore that I do right.

Don't make a promise  
That you can't keep.  
Don't cross your fingers  
And hope that it will be  
Alright.

Da-da da-da, don't stutter.  
Spit it out now, spit it out now.  
I can't help but to wonder,  
Why can't you get your thoughts out?

Da-da da-da, don't stutter.  
Spit it out now, spit it out now.  
I can't help but to wonder,  
Why can't you get your thoughts out?

Finally, for once,  
I will hold back on what to say,  
Before she comes my way.  
And I can't seem to block  
It off by myself.  
I need some help from you.  
I need some help from you.

Don't make a promise  
That you can't keep.  
Don't cross your fingers  
And hope that it will be.  
Alright.

Da-da da-da, don't stutter.  
Spit it out now, spit it out now.  
I can't help but to wonder,  
Why can't you get your thoughts out?

Da-da da-da, don't stutter.

Spit it out now, spit it out now.  
I can't help but to wonder,  
Why can't you get your thoughts out?

Da-da da-da, don't stutter.  
Spit it out now, spit it out now.  
I can't help but to wonder,  
Why can't you let your thoughts out?

Da-da da-da, don't stutter.  
Spit it out now, spit it out now.  
I can't help but to wonder,  
Why can't you get your thoughts out?
