"In My Arms"

Your baby blues, so full of wonder
Your curly cues, your contagious smile
And as I watch, you start to grow up
All I can do is hold you tight

Knowing clouds will rage in
Storms will race in
But you will be safe in my arms
Rains will pour down
Waves will crash around
But you will be safe in my arms

Storybooks
Are full of fairy tales
Of kings and queens
And the bluest skies
My heart is torn just in knowing
You'll someday see
The truth from lies

When the clouds will rage in
Storms will race in
But you will be safe in my arms
Rains will pour down
Waves will crash around
But you will be safe in my arms

Castles they might crumble
Dreams may not come true
You are never all alone
Cause I will always
Always love you

Hey I
Hey I
Will love

Clouds will rage in
Storms will race in
But you will be safe in my arms
Rains will pour down

Waves will crash around
But you will be safe in my arms

In my arms
