You've got something I like about you
You seem to be a lot like me
I've got a ticket to adventure for 2
Could be your golden opportunity

The travel agent, she set up an itinerary
First class ship, can see the moon from my window
seat
An agent (?) a tour of the galaxy
Tips included, if you want that, come with me

I wanna know
Is there life on Pluto?
Wanna come with me?
We can go in a UFO

I'm bored, I need a little motivation
I'm tired of the same old things
I've got a feeling of anticipation
Could be our golden opportunity

I've got an urge to go swimming in the Milky Way
Take a trip of fishing in the Neptune Sea
Have my picture taken with Peter at the Pearly Gate
Smile for the camera, if you want that, come with me

I wanna know
Is there life on Pluto?
Wanna come with me?
We can go in a UFO

In the twinkling of an eye
We'll be together
In the sky
We'll be together

I wanna know
Is there life on Pluto?
Wanna come with me?
We can go in a UFO
