Now I'll do my best for you
Now I'll do my best for you
I feel love
I feel love
I feel love
I feel you right back to me
My headbone is connected to my feetbone
I feel for you, you fell for me
So what's ???? boy ?
I always tried my best to understand you
Try me now
And now I'll do my best for you
Try me
And I will do my best for you
The only one, the only one love
Try me
And I will do my best for you
Try me now
And now I'll do my best for you
And now I'll do my best for you
I feel, I feel love
I feel you right back to me
I feel, I feel love
I feel you right back to me
My headbone is connected to my feetbone
I feel a love for you so give it right back to me
I'll be the one with love and understanding
Try me now
And now I'll do my best for you
Try me
And I will do my best for you
Try me
The only one, the only one love
Jump for joy just to be near you
Jump for joy just to be near me
Jump for joy just to be near you
Jump for joy
Connection of my love
Connection love is touched
Connection can't you see
I'm burnin' up
Connection of my love

Connection love is touched
Connection can't you see
I'm burnin' up
And I'll do my best for you
