Hey you, what you wanna do ?  
Open your mind to the beat now groove  
Hey you, what you wanna do ?  
Open your mind to the flow  
(TC : Check It Out)  
Ooh ooh oh open up your mind and go  
Don't let it get into you  
(TC : Hey you what you gonna do ?)  
Ooh ooh oh open up your mind and flow  
And let it get into you  
(TC : Hey you what you gonna do ?)

Open your mind, I know you want me  
Come into my ..... me so honey  
Toni, tell me ride your poney  
Let me be your tender .....

To another world yes I will take you there  
Open up your eyes, your mind  
And don't say mama's right here, mama's right there  
Everywhere you look your mama's right here  
Ya Ya Ya  
Baby baby  
You drive me crazy  
All you got to do is call me Daisy  
Open up your mind, your heart  
Don't give sorrow  
Tell me, tell me now  
And not tomorrow

I really wanna know if your love is true  
Because when you look for love and it will never find  
you

You got to take it slow my mama told me  
Till I'm gonna do what I do  
Let nobody take and hold me  
Voo-doo I wanna get into you  
Instead I just pursue you  
I wanna do you ..... down your hear  
On the way to Bali  
The ..... and the glamour doesn't mean  
I'm never .....

Catch me  
Open up your mind and make my life complete  
Get your wears out of the heat, free  
Now open up, open up, open up your mind  
And let me, let me, let me, let me, let me come inside

Open your mind and let it flow  
It's a party so let's go  
Baby fell the groove inside  
Open your mind and let it go  
It's a party so don't go  
Baby fell the groove inside  
Ooh ooh ooh ooh  
Open up your mind and go  
Don't let it get into you  
(TC : Clap your hands to the beat, yo)  
(TC : Clap your hands and then move your feet)  
Hey you, what you wanna do ?
