The world has become a place where love doesn't exist  
anymore

The government is controlling people's minds  
For one person, this mission is to bring the people to  
her world

The real world

Love is the answer  
Love is the answer  
Love is the answer  
Love is the answer

Love is the answer, the truth in the power  
Hate is the cancer  
Fighting the world  
Remember love is the answer  
Open..... flower  
Love is the answer  
Yes love is the answer

Love is the answer, strength in believing  
Hate is the cancer  
Fighting the world  
Remember love is the answer

People .....

Love is the answer  
Yes love is the answer, now

Nobody knows what the others're thinkin'  
Nobody cares???  
Calling the rules???  
Somebody fronting???  
????  
Nobody???  
I know that that's a fact  
Power and Glory, I worked too much for that  
???? the only answer

Nobody told me that money could pay  
Somebody told me ??? the end  
???? the passion and blindness

????

????

Nobody???

I know that that's a fact

Power and Glory, I worked too much for that

???? the only answer
