Cold in heart
My inner self I hide
Climb to the top of a hill
With no one by my side
This will never heal
Only if I lie
My condition weakens
As it cuts through me
Insideâ€¦ insideâ€¦

Give me your hand and I'll hold it
Take me away from this misery
You know what you mean to me
Give me your hand and I'll be strong
Trust in me now it was meant to be
You know you can set me free

Pain inside
Will gradually subside
The longer that you're helping me
The clearer is my mind
I no longer need
Depend upon or feed
On a world where I'm alone
Defenceless and afraid
Insideâ€¦ insideâ€¦

Give me your hand and I'll hold it
Take me away from this misery
You know what you mean to me
Give me your hand and I'll be strong
Trust in me now it was meant to be
You know you can set me free

Hold your head up high

Give me your hand and I'll hold it
Take me away from this misery
You know what you mean to me
Give me your hand and I'll be strong
Trust in me now it was meant to be
You know you can set me free
