Cool change
After your embrace again
How was I to know
That I'd see you smiling
Your face
As I look away
Every time you fade
You're my friend never were

Maybe I'm not pure
You're just the same
These things don't change
Maybe I'm not pure
I'm not to blame
We're all the same

My way
Is the only thing keeping us apart
In my life you are the one smiling
Look away
Don't look back to this day in our lives
So just come for a walk

Maybe I'm not pure
You're just the same
These things don't change
Maybe I'm not pure
I'm not to blame
We're all the same

Hold my head down till I suffocate
Forgive my selfish nothingness
How was I supposed to know?
How was I supposed to know?

Maybe I'm not pure
You're just the same
These things don't change
Maybe I'm not pure
I'm not to blame
We're all the same
