I'm confused.
I'm so damn confused.
You keep choosing to drag it out.
Point of view,
From my point of view,
Just accept me or turn me down.
Tell me now, tell me now.
It's useless to lie in ruins.

Are you amazed by this amazing grace?
Are you a slave to your expensive taste?
Are you asleep next to the enemy?
While I wait on a bed of nails.
Bed of nails.

I'm a pawn.
Maybe I'm a pawn
In a game I can't figure out
All the rules,
What are all the rules?
If you don't want me to find out,
I don't know, I don't know.
I've been in the dark for too long.

Are you amazed by this amazing grace?
Are you a slave to your expensive taste?
Are you asleep next to the enemy?
While I wait on a bed of nails.

I'll take a blessing in disguise.
I'm so frustrated with your lies.
It'll be over when you give me back all that you've
taken.
Give me back all that you've taken.

Are you amazed by this amazing grace?
Are you a slave to your expensive taste?
Are you asleep next to the enemy?
While I wait on a bed of nails.
Are you amazed by this amazing grace?
Are you a slave to your expensive taste?
Are you asleep next to the enemy?

While I wait on a bed of nails.
Bed of nails.
