Let me get this out,  
Before you turn me down.  
Let me say my piece,  
Before you go and turn the other cheek.

Let me have my say,  
Before it's not too late.  
Let me have my way,  
Before this all is set into concrete.  
Can you feel the same heat?

I'm a control freak;  
I've been like this lately.  
I'll do what you ask if you don't force me to.  
I'm a control freak;  
You may think I'm crazy.  
Don't be surprised if you hate what I do.  
I've been trying to control you, control you.

Let me talk you down,  
Before you make a sound.  
If you can crush my doubt,  
Then finally we can walk to the same beat.  
I can feel it within me.

I'm a control freak;  
I've been like this lately.  
I'll do what you ask if you don't force me to.  
I'm a control freak;  
You may think I'm crazy.  
Don't be surprised if you hate what I do.  
I've been trying to control you.

Please don't get mad  
Because of something I said  
Please don't be hurt  
That's just absurd  
I'm bound to get what I deserve

I'm a control freak;  
I've been like this lately.  
I'll do what you ask if you don't force me to.

I'm a control freak;  
You may think I'm crazy.  
Don't be surprised if you hate what I do.  
I've been trying to control you, trying to control you,  
Control you.
