Think I could find a better way,  
Find a sight to see  
Find a place that i...belong to  
Wandering aimlessly  
But I know where I can go  
Somewhere across from me,  
I now realize...

On a clear day, I can see  
If only I could hear you  
If only you could hear me  
On a clear day, baby, I can see  
Everything that's cosmic, but you, baby

Oh, maybe I'm just another something new  
Maybe on a clear day I see you  
Maybe I'm just another something new  
Maybe on a clear day I see you, baby  
I see you baby  
I see you baby  
I see you baby  
I see you...baby

When you open up your eyes  
What's in front of you,  
Is what's supposed to be there,  
Oh really?

Ask me who I am.  
Ask me what you are.  
One nation under god,  
I'm smiling

On a clear day, baby  
I can see, if only I could find you  
If only you could find me(find me baby)  
On a clear day, baby  
I can see, only God knows where you're going...

Open up your hearts  
Open up your minds

Baby how do you feel?  
Are you cold here?

Kiss me everyday,  
I find another way  
Brings me in the sky,  
I don't know you

On a clear day, baby  
I can see if only I could see you  
If only you could see me  
On a clear day, baby, I can see  
Forever behind the horizon line

Oh, maybe I'm just another something new  
Maybe on a clear day I see you  
Maybe I'm just another something new  
Maybe on a clear day I see you, baby  
I see you baby  
I see you baby  
I see you baby  
I see you...baby

Oh, where was I before?  
It doesn't matter now  
Maybe it does sometimes...  
I don't know

What do ya think of me?  
What do ya think of life?  
Hold me in my arms  
I love you

On a clear day, baby  
I can see everyone that loves you,  
Everyone that loves me  
On a clear day, baby, I can see  
Whatever's in front of my eyes...

Oh, maybe I'm just another something new  
Maybe on a clear day I see you  
Maybe I'm just another something new  
Maybe on a clear day I see you

Maybe I'm just another something new  
Maybe on a clear day I see you  
Maybe I'm just another something new  
Maybe on a clear day I see you, baby  
I see you baby  
I see you baby  
I see you baby

I see you...baby
