There's a dying man
on a battlefield in 1942,
he knew that he was helpless
there were nothing more to do.
He were fighting for his country
and his people's destiny
and dying for his FÃ¼hrer
and his lovely Germany.

Hear them call the gods of war.
It's our children's future
we must secure.
Hear them call the gods of war.
It's our children's future
we must secure.
There's only one way to Valhalla.

1987 Rudolf Hess took his last breath,
Spandau prisoner number 7 met the angel of death.
They said that it was suicide and we know that isn't
true,
he were killed for his opinion the revenge is coming
soon.

Hear them call the gods of war. It's our children's
future we must secure.
