It's love, not another word baby  
That can show what's yours in my heart.  
I'm not just enchanted, I see forever in my dreams.  
I'll just just have to wait for you, to see what your plan  
is, baby.

Sometimes I hate this place,  
This is why noone wants to be in love anymore  
It's takin what's real from fake baby  
You could overlook the diamond,  
That's trying to be perfect for you.

( chorus )  
I know what's perfect for you  
Where you'll be perfectly safe inside my arms  
Let's make a promise right now  
If you can be perfect for me  
I'll be perfect for you.

It's love, that's makin me regret  
Every moment you're not around.  
I know you wanna believe me,  
But you've always been afraid.  
I wish there was a way that you could  
See inside my mind, baby.

Sometimes I hate this place.  
This is why noone wants to be in love anymore  
It's takin what's real for fake baby.  
You could pass right by the diamond  
That's trying to be perfect for you.

( chorus )

Sometimes I hate this place.  
This is why noone wants to be in love anymore  
It's takin what's real for fake baby.  
You could pass right by the diamond  
That's trying to be perfect for you.

Perfect for you...
