Baby works at the puppet show...and sometimes I can't  
go  
Baby works at the puppet show...and sometimes I can't  
go

I know I can disappear like shakespeare's romeo  
I know that good things always treat me bad  
But don't you think it's strange that I don't know?

Baby works at the puppet show...and sometimes I don't  
go  
Baby works at the puppet show...and sometimes I won't  
go

If I can't make it disappear that I will have to go  
I wonder if happiness will meet me there  
But classify me strange 'cause I can't go

Baby awakes at the puppet show...and sometimes  
there's no show  
Baby freaks from the puppet show...and sometimes  
there's no show

I know that I love you but I'm bleeding all I know  
You do a great job of wanting me  
But don't you think it's strange I told you so

Baby works at the puppet show....and sometimes I can't  
go  
Baby plays at the puppet show...and sometimes I can't  
go  
Baby works at the puppet show...and sometimes I can't  
go  
Baby hurts at the pupet show...and I'm just trying to  
understand you
