Give me all the all love you think you can give me.
Bring me a love to last my life.
Look through the sands of time I think you will find me
Passing throught some plesant thoughts
Are somewhere next to you

So take care of my love Love, love....my love. Love, love....my love. Love, love....my love. Love, love....my love.

I can't imagine another day withouy out you Youlive the love that's there for you by me I know why my thoughts are all about you Cause if you open up my mind, girl you'll find it's you

So take care of my love
Love, love....my love.
Love, love....my love.
Love, love....my love.
Love, love....my love.
You better take care of my love

Please don't dissappoint me baby
My heart is right here I'm givin it to you
Its real at least that's what my kisses tell you
And when you put your arms around me I know you know it's real
