Seriously...

A fortune, says they love me too  
I think the reason for the treason  
Is burning so lovely.

Yes I'm killing me with time  
'cause on occasion I can see  
With desperation lives forever.

And only when you're here,  
Do I really miss them  
And only when you're gone,  
Do I feel like they're close to me

Then in trust they hurt you  
In love they hurt you  
If in vain they hurt you  
Then who loves you...?

Seriously...

I can love you  
Like none can love you  
But if you can love you  
Who hurts you?

Seriously...  
Seriously...

Sometimes, I know you cry  
Because there's nothing else to do  
And breathing just won't convince you

I'm through, fighting with you  
I really wish you didn't hate the  
Way I listen in between you

And only when you're here,  
Do I really miss you  
Only when you're gone,

Do I feel like you're close to me

Then in trust they hurt you  
In love they hurt you  
If in vain they hurt you  
Then who loves you...?

Seriously...

I can love you  
Like none can love you  
But if you can love you  
Who hurts you?

Seriously...  
Seriously.....?

And only when you're here,  
Do I really miss them  
And only when you're gone,  
Do I feel like they're close to me

And in trust they hurt you  
In love they hurt you  
If in vain they hurt you  
Then who loves you...?

Seriously...

I can love you  
Like none can love you  
But if you can love you  
Who hurts you?

And in trust they hurt you  
In love they hurt you  
If in vain they hurt you  
Then who loves you...?

Seriously...

I can love you  
Like none can love you  
But if you can love you  
Who hurts you?

Seriously...  
Seriously...  
Seriously...  
Seriously...  
Seriously...

Seriously.....?
