Who's gonna break my fall
I don't know if I can keep balance
You seem to have it all
You've got grace and charm and all that matters
Won't matter you take me for a ride
Making me comfortable on the inside
Won't you take me for a ride
But I will have to leave you when it is my time

Chorus:

La la la la€|take me there
Wherever that is
La la la la€|anywhere
I will not resist
If I were a beggar, you would be a millionaire

I look good from a far
But up close I am so far from good
You shimmer like a star
And you act just like you should
Won't you take me for a ride
Making me comfortable on the inside
Won't you take me for a ride
But I will have to leave when it is my time

Chorus:

La la la la€|take me there
Wherever that is
La la la la€|anywhere
I will not resist
If I were a beggar, you would be a millionaire

La la la la€|take me there
Wherever that is
La la la la€|anywhere
I will not resist
If I were a beggar, you would be a millionâ€|
If I were a beggar, you would be a millionâ€|
If I were a beggar, you would be a millionaire
So take me there
I want to be out there
