Don't drag me down
When you fall
Don't you know
Its a privilege?
You've got so much
You've got it all
Still you're counting your riches
Chorus:
And I could be ten years old
With a hole in my belly
No shoes on my soles
But I am here
Take my car, take my girl
I'm the richest in the world
Steal my gold, take my pearls
I'm the richest man in the world
Oh there I am
I lay down
In a mess of confusion
This simple song
It's a simple sound
But just keeps it amusing
Chorus
All you say don't mean a thing
Could I give it all away?
You show your colors when you bleed
Could I just give it all away?
So let it go, well I don't know, baby
Give it away, give it away
I am here
Take my car, take my girl
I'm the richest man in the world
Steal my gold, take my pearls
I'm the richest man in the world
Oh yeah, yeah yeah yeah yeah yeah
And I got to be afraid, wont be chained to this
But chains don't mean...
I got be free from the chains that bind me.
Could I give it all away?
Could I just give it all away?
Could I, could I? ohhhhh
