Baby open your eyes, and take a look around. There was child within you, oh no no, 'til you beat her down, down, down. All the times I wondered...

Chorus:

Have I seen too much, you can't touch me I'm untouchable Do I know so much, you can't love me I'm unlovable

Do I even know, do I even know, do I even know What's best for me? oh what's best for me. Riding in the wasteland, Just across the street. Theres on nothing on the television baby to knock me off of my feet All the times I wondered...

Chorus
