I can't seem to reach through
The heartache that you cling to
I can only give you
What I have today

My arms can only reach so far
Tell me how to get to where you are
(chorus)
Violet, don't save regrets
Like pennies for a rainy day
They'll just weigh you down
Until somehow
You throw them all away....violet

I can't rewrite your history
Or erase the painful memories
I can only give you what I have today (yeah)

For a lifetime I'll be around
Until the walls you built come
Tumbling down

(chorus)

Bridge
Don't be afraid to let me see you cry
You can yell and scream and weep
Until the tears are running dry
Ill still be by your side

(chorus)
