Mr. Nice Guy

This song is the price for breaking my heart  
Should of written these words to you right from the  
start  
You say it doesn't matter, how it's all in the past  
My pain doesn't show it's disguised by this mask  
I can't pretend to forgive and forget  
Gonna make the day you met me, a day you'll regret  
'Cause you're the dust in my eye  
You're the rock in my shoe  
Yeah, you lie, lie, lie  
Better watch what you say, 'cause I'm on to you  
Mr. Nice Guy, whoa, Mr. Nice Guy

Spoken: Your so nice!
