Your brave but you can't see it  
your strong but you can't be it  
your loving but you can't do it  
but all I know is what I see  
your nice but you can't prove it  
but if your not you will lose it  
your great but you can't do it  
but all I know is what you might be

I know you  
the real you  
I know you  
the real you

If your smart then you should know it  
if you want then you should show it  
if you can't then why do you bother  
but all I see is me in me

I know you  
the real you  
I know you  
the real you

Your brave but you can't see it  
your strong but you can't be it  
cause the real you is hard to find  
all you have to do is use your mind  
cause the real you  
cause the real you  
cause the real you  
cause the real you

I know you  
the real you  
I know you  
the real you

I know you  
the real you  
I know you  
the real you

I know you  
the real you  
I know you  
the real you

The real you  
the real you  
the real you  
the real you  
the real you
