"What Difference Does It Make"

Visit "[What Difference Does It Make](#)" on MotoLyrics.com

it all comes over me
I'd really like to see
why did you have to go
I need to know
I miss you so

if i could turn back time
I would have changed your mind
I'd never let you go
I loved you so
but still I know

What difference does it make if I still want you
when I know for sure that I cant make you mine
What difference does it make if I still need you
when we already had waved that last goodbye,
goodbye
Goodbye

How was I to know
When you sad you loved me so
It all was make believe
I try to see
is it up to me

What difference does it make if I still want you
when I know for sure that I cant make you mine
What difference does it make if I still need you
when you've already had wawed that last goodbye,
goodbye
Goodbye

ooo yeeah...

I tried to see
is it up to me

What difference does it make if I still want you
when I know for sure that I cant make you mine
What difference does it make if I still need you
when we already had waved that last goodbye,
goodbye

Goodbye

What difference does it make if I still want you
when I know for sure that I cant make you mine ooh
What difference does it make if I still need you
when we already had waved that last goodbye,
goodbye
Goodbye
