Before your lights quite fail
And you fall spinning singing from the same song
Pass your hand before me
Palm shining, light streaming
Speak to me your lips touch
Crackle light water spilling
Tumbling down
Sing to me lull softly call quiver
Dream to me like a flame flicker
Shimmering Shimmering mirage like vision
Of tranquility
Honeyflower sing suckle
Oh so sweetly call to me
Lure linger please
Lure linger, lure linger
Cover me with you're hands unfolded
Wrapped around, held like a ball
Think of me -- put all your self inside me
Then send me spinning into the sun
Dreams drempt and thoughts thunk
Tooth brushed and watch wound
Before toast and tea
Before toast and tea
"Breakfast!" Good morning everybody,
The sun is up and there's lots of toast and jelly
Wash Wash, you gotta wash the dishes
If you're gonna eat upon 'em, ya gotta wash 'em.
You can get it if you really want,
You gotta try hard, try hard
(P.S. Keep on the sunny side)
