I'm a fool who fucks up school
I'm not proud of it that even I
Wana kick my own lazy ass
Haven't done what's expected of me
Delinquent shit, bet I am
I just think and talk and never work
I wasted time and resources
I am a burden
I am bum

Not self pity
Nor self destruction
I'm just tellin you 1st
It's a defensive mechanism

The loco wana bust his fuckin ass first
The cholo wana bust his fuckin ass first
The gago wana bust his fuckin ass first
The caco wana bust his fuckin ass first

So full of idealism
But put to work I am nothing
Pathetic humanity sack of shit
Spirit is willing but fleshs a slob
Hypocrisy is constant
It's imbedded in everyones core
I am lazy and too proud
Never sharp--I get so fuckin hangag!

Damn it and I'm a wasted paste now
I wish I could take those years back again man
No need to tell me things
That can make my pathetic ass feel worse and sore
And I'm a bum-shit, a fatass of a leech
I'll show you all piece by piece and the keys
And the ways that I got dismantled
Of reality improper digestion!

Not pro shit culture
Bullshit propaganda
I'm just telling you first
It's a defensive mechanism

Ariba! Ariba!

The loco wana bust his fuckin ass man
The cholo wana bust his fuckin ass man
The gago wana bust his fuckin ass man
The caco wana bust his fuckin ass man
(2x)

Not self pity
Bullshit propaganda
I'm just telling you first
But who the hell cares?
I'm just telling you first
It's a defensive mechanism
