### "Friend-Boy"

You left for another  
Well, it's your life, that's okay.  
But I still want a lover  
'Cause life's just better that way  
You'll still be my friend

You still bring me joy, and  
For that fact I'll be your friend  
Yeah, I'll be your friend-boy, but  
Deep down, still want to get inside  
I'll still be your friend

Forgive me if my leg starts to tremble  
While I'm still getting my nerves reassembled  
Take it as a complement from me to you.  
You'll still be my friend.
