Okay, I might want you here by my side
But I won't wait 'til the day I die
No, I won't wait for you to decide
While I'm busy being alive

Don't wanna waste my time being stuck in a hole
I'd rather remain in control
And that is all that you gotta know
But if you want me, give it a go!

And if you want to be by my side,
I'll be there with my arms spread wide
But I won't wait for you to decide
While I'm busy being alive

Don't wanna waste my time with impossible girls
It's too easy to make them your world
But if you feel like you need a beau
You can call me, we'll give it a go!

Okay, I might want you here by my side
But I won't wait 'til the day I die
No, I won't wait for you to decide
While I'm busy being alive

Don't wanna waste my time with impossible goals
I'd rather remain in control
And that is all that you need to know
But if you want me, give it a go!
