"Seen It All"

Well, I thought I'd seen it all
'Til your eyes looked up at me
What a perfect way to fall
When you fell on top of me

Well, I thought I'd seen it all
But I was bored and beat
Now things are such a treat
You make things sugar sweet

Well, I thought I'd heard it all
'Til you told me, "I love you"
I was all the more in awe
For the fact I already knew

Well, I thought I'd heard it all
But I was bored and beat
Now things are such a treat
You make things sugar sweet

guitar solo

Well, I thought I'd seen it all
But I was bored and beat
Now things are such a treat
You make things sugar sweet

Well, I thought I knew it all
'Til I realized that I loved you
What a perfect way to fall
For the fact you loved me too

Well, I thought I knew it all
But I was bored and beat
Now things are such a treat
You make things sugar sweet
today.
