Three in the morning, tears in your eyes
I made you cry too many times
I took for granted that you'd wait for me
I never dreamed that you could leave

I got here just in time, please one minute more
Before you close the door

Don't walk away, I came back to let you know
I'd be a fool to let you go
I need you to stay, only you can touch my soul
I'd be a fool to let you go

Darling believe me
I know your heart can feel the truth
Oh can't you see me, I'm dying inside
Let's give our love another try

Baby close your eyes, think back to better times
When I was yours and you were mine, oh mine

Don't walk away, I came back to let you know
I'd be a fool to let you go
I need you to stay, only you can touch my soul
I'd be a fool to let you go

I was yours and you were mine, say

Don't walk away, I came back to let you know
I'd be a fool to let you go
I need you to stay, only you can touch my soul
I'd be a fool to let you go

Don't walk away, I came back to let you know
I'd be a fool to let you go
I need you to stay, only you can touch my soul
I'd be a fool to let you go

'Cause baby, baby, because I need you
So come on back, come on back to me baby, oh, oh,
oh, oh
Come on back
