Neck of the Woods, Neck of the Woods  
Neck of the Woods, It's all good

[First Verse]

I keep my thang on my side, when it's time to bring  
heat  
Game plan so sweet, sharpin' up like iron clites  
Him he don't want none of me, you fuckin' around with  
the wrong peeps  
Lil' Wayne, I'm knockin' out teeth, have yo whole click  
deceased  
Them Hounds say fuck a reala,  
Say Baby, don't make me steel 'em ,  
Any one of my Lil' Hounds to the B-Geez I'll kill 'em  
Look dog, ya feelin' me?  
Then keep that there on the hush,  
To much to be touched,  
Gotta 'em runnin' in circles when I bust  
Scare, wound and crushed, Full Blooded with some  
nuts  
I'm top of the line dog, Hound Out with some guts  
Been Thuggin' since 80 what ,  
You been Thuggin' since 90 what,  
Starchy and Husk couldn't fuck with me,  
I come bangin' up by the bust

[Chorus]

I keep my Hounds, Hound Out  
But dog it's all good  
When I hit yo fuckin' set Boo-Ya,  
Give up the goods  
See Hounds, Hound Out  
If not give 'em the bud  
Nothin' but drama goin' on,  
In my Neck of the Woods  
{2x}
