She was the prettiest girl you've ever seen  
Everybody said little Jane's gonna be a beauty queen  
Like a rare flower, a summer breeze  
She had the kinda somethin'  
That could bring you to your knees

But no one heard her cry at night  
And no one saw the pain inside  
When he opens her door to turn out the light  
In her mind little Jane ran away  
A hundred thousand times

"Sweet lady Jane", that's what her daddy used to say  
Now the voices in the dark just won't go away  
"Sweet lady Jane", that's what her daddy used to say  
All the voices in her head, she can't stand the sound of  
her name  
Sweet lady Jane

Now she spends her nights lookin' for the things she  
lost  
She's willing to pay the price, no matter what the cost  
She's just trying to find the little girl she was before  
Before he started creepin' in  
And lockin' up her door

You can take her home  
If the money's right  
You can do anything you want  
But you can't kiss her goodnight

"Sweet lady Jane", that's what her daddy used to say  
Now the voices in the dark just won't go away  
"Sweet lady Jane", that's what her daddy used to say  
All the voices in her head, she can't stand the sound of  
her name  
Sweet lady Jane

Little Jane, talkin' about sweet Jane  
Little Jane, talkin' about sweet Jane  
Little Jane, talkin' about sweet Jane

Sweet lady Jane, can't stand the pain  
Can't forget the times  
That he kept whisperin' her name, "Jane"  
Sweet lady Jane, just can't run away  
All the voices in her head  
She can't stand the sound of her name

"Sweet lady Jane", that's what her daddy used to say  
Now the voices in the dark just won't go away  
"Sweet lady Jane", that's what her daddy used to say  
All the voices in her head  
She can't stand the sound of her name  
Sweet, sweet lady Jane

Sweet lady, sweet lady Jane, sweet lady, sweet lady  
Jane  
Sweet lady, sweet lady Jane, sweet lady, sweet lady  
Jane  
Sweet lady, sweet lady Jane, sweet lady, sweet lady  
Jane
