Oh babe, yeah

I can't seem to reach through
The heartache that you cling to
I only hope you hear what I have to say, yeah
My arms can only reach so far
Tell me how to get to where you are?

Violet, don't save regrets
Like pennies for a rainy day
They'll just weigh you down
Until somehow you throw them all away
Violet, hey yeah

I can't rewrite your history
Or erase the painful memories
I can only give you what I have today, yeah
For a lifetime I'll be around
Until the walls you built come tumblin' down

Violet, don't save regrets
Like pennies for a rainy day
They'll just weigh you down
Until somehow you throw them all away

Don't be afraid to let me see you cry
You can yell and scream and weep
Until the tears are runnin' dry
I'll still be by your side, oh yeah oh

Violet, don't save regrets
Like pennies for a rainy day
They'll just weigh you down
Until somehow you throw them all away

Violet, don't save regrets
No, no, no, no, no, no
Until somehow you throw them all away

Violet, don't save regrets
Like pennies for a rainy day
They'll just weigh you down

Until somehow you throw them all away
Violet, Violet
