not a dime can't a pay my rent  
I can barely make it through the week  
Saturday night I like to make my girl  
but right now I can't make ends meet no

I'm always workin' Slavein'  
every day gotta get away from the same old same old  
I need a chance just to get away if you can hear me  
think this is what I'd say

Don't need nothin' but a good time  
how can I resist  
Ain't lookin' for nothin' but a good time  
and it don't get better than this

So I spent my money on women and wine  
But I couldn't tell you where I spent last night  
I'm real sorry 'bout the shape I'm in  
I just a like my phone every now and then  
I'm always workin' Slavein'  
every day gotta get away from the same old same old  
I need a chance just to get away if you can hear me  
think this is what I'd say

Don't need nothin' but a good time  
how can I resist  
Ain't lookin' for nothin' but a good time  
and it don't get better than this

You see I, I raise a toast to all of us  
Who are breakin' our backs every day.  
If wantin' a good life is such a crime  
WELL LORD THEN PUT ME AWAY!  
Yeah here's to ya  
Guitar!

(Guitar Solo)

Don't need nothin' but a good time  
how can I resist  
Ain't lookin' for nothin' but a good time  
and it don't get better than this

Don't need nothin' but a good time  
how can I resist  
Ain't lookin' for nothin' but a good time  
and it don't get better than this  
Don't get better baby...
