Come on, come on
Get on your dress and put on a smile
Lets lose this place and get out awile, awhile, awhile

You dont need nothin fancy
Just a whole lotta attitude
I'll be your man now baby
If you're doing what I want you to do
I keep on tellin ya
Shes my ball and chain

My lock an dkey
And i'm liking it baby
Shes my ball and chain
My lock an dkey
And i'm liking it good

I t't't' tell ya
Momma always said
There was plenty of fish in the sea
So I baited my hook but good
And caught one for me
yeah just for me

She'll set you up with her body
And then knock you out with her charm

She's just a little too nasty baby
But that never did me no harm no

I keep tellin yas
She's my ball and chain
My lock and key
And i'm liking it baby
Shes my ball and chain
My lock and key
And I'm liking it good

And she'll always be wrapped tight around me

My lock and key
And i'm liking it baby

Shes my ball and chain
My lock and key
And I'm liking it good

And she'll always be wrapped tight around me

I t't't' tell ya
