We both lie silently still
in the dead of the night
Although we both lie close together
We feel miles apart inside

Was it something I said or something I did
Did the words not come out right
Though I tried not to hurt you
Though I tried
But I guess that's why they say

Chorus:
Every rose has its thorn
Just like every night has its dawn
Just like every cowboy sings his sad, sad song
Every rose has its thorn
Yeah it does

I listen to our favorite song
playing on the radio
Hear the DJ say loves a game
of easy come and easy go
But I wonder does he know
Has he ever felt like this
And I know that you'd be here somehow
If I could have let you know somehow
I guess

Chorus

Though it's been a while now
I can still feel so much pain
Like a knife that cuts you the wound heals
but the scar, that scar remains

I know I could have saved a love that night
If I'd known what to say
Instead of makin' love
We both made our separate ways
But now I hear you found somebody new
and that I never meant that much to you
To hear that tears me up inside

And to see you cuts me like a knife
I guess

Chorus
