I want to go
I want to go home now

I want to go

I want to go home now

(lets go)

Saturday night rainbow bar and grill

Where there's cocaine lines and a little white pill

A beer and a gin now I can't see straight

Slip it in, no glove, oops, too late

I remember her face but forgot her name

She forgot mine too ain't that a shame

Smelled like reefer and my hairs in a mess

I left my love running down her dress

Chorus

Dave from Drowning Pool is here

Steal's my women and he drinks my beer

Buy's me a pizza and a shot of jim beam

And ask who the fuck is angeline

I to to piss the parking lot well I

Get in a fight but I don't get caught

Hell no problem 'cause the nights still young

I wan a little more gonna get ya some

I want to go

I want to go home now

I want to go

I want to go home now

(CC lets go)

(solo)

Rock stars movie stars a hollywood scene

I eat dinner with nick cage and charlie sheen

Nick asks me what the hell unskinny bop means

It's slang for CC banging a prono queen

Mario, michael, tony and steady

RV won't ya get table six ready

My platinum records hang all around

Rainbow's home when I'm in this town
