If there's a tear on my face  
It makes me shiver to the bone, it shakes me, babe  
It's just a heartache that got caught in my eye  
And you know, I'll never cry, I'll never cry

Sometimes I drink more than I need  
Until the TV's dead and gone  
I may be lonely but I'm never alone  
And the night may pass me by, but I'll never cry

Take away, take away my eyes  
Sometimes I'd rather be blind  
Break your heart, break your heart of stone  
Open it up but don't you leave it alone

'Cause that's all I've got to give to you  
Believe me, babe, it ain't been used  
My heart's a virgin, it ain't never been tried  
And you know, I'll never cry, yeah, you know, I'll never cry  
Well, you know, you know, you know, you know  
I'll never cry, I'll never cry

Break your heart, go ahead, break your heart of stone  
Open it up but don't you leave it alone

'Cause that's all I've got to give to you  
Believe me, babe, it ain't been used  
My heart's a virgin, it ain't never been tried  
And you know, I'll never cry, I'll never cry
