Power to the....

Good evening people, welcome to my party
Bring on the night, let's get it started
You want blood on the stage, well baby you've got it

I welcome all the people who have truly been my
friends
F*ck all the bitches who broke my heart again
Love all the women who made my head spin

Baby..because they love me
I can make the sun go down
And I say give the power to the people, people

Bossman, somebody always tryin' to break me
Slick mo-fo, he's always tryin' to take me
In this arena only you can make me...

Sex and violence, a love in a rage...
I'm pacing like a beast locked in a cage
I'm a-comin' I'm a-comin' I'm a-comin' of age

But I know you want me, right

I can make the sun go down
And I say give the power to the people

Solo

I am the sound and I am the light
You are the power that gives me the right
Together we own the night

Good evening people, welcome to my party
Bring on the night, we can get it started
You want my blood on the stage, well baby you've got it

Yes we know we love this
Yes, we know we want this, right
I can make the sun go down
And I say give the power to the people

I can make the sun go down
And I say give the power to the...
