Visit "[Set You Free \[Outtake from Crack a Smile\]](#)" on MotoLyrics.com

When you was a child life's a game  
But you got all the rules all changed  
Pray to a spiritual God for material things  
Then wait by the phone but it don't ring  
So if you feel like you fell behind  
That mountain's got too big to climb  
Want to hang your head and say screw it  
Forget that shit lets get down to it  
Come on, baby  
chorus  
Mind tripper  
Dance sister  
It'll set you free  
Mind tripper  
Dance sister  
Keep the faith  
forget the fame  
Don't let your balls go down the drain  
It'll set you free  
The news man shoves it down our throats  
The ratings sore, the victims choke  
?? best stand clear  
For a few of us who got no fear  
So you feel like you sinned baby  
You got nothing left to hold, no  
Stop feeling like a number  
You best forget that sh!t that you been told  
Baby bring it on  
chorus  
Mind tripper  
Dance sister  
It'll set you free  
Mind tripper  
Dance sister  
Bring her right here to meMind tripper Dance sister  
That ain't no way to change your past  
Just get your head out of your ass  
It'll set you free

That sh!t comes down for miles  
And it really starts to stink  
Then dump it in the ocean

Till it's floatin' at the brink  
And when that boat don't float no more  
They're just gonna let it sink  
Don't ask me no more questions, baby  
You know what I think, yeah  
Well, have heard about it  
All the new talk on the streets  
I'm coming on hard, baby  
I hope you're ready for a brand new me  
So get your head out of the gutter  
That's no way to right that wrong  
There'll be time enough for sleep  
When your dead and gone I said  
Bye bye, babe  
chorus  
Mind tripper  
Dance sister  
It'll set you free  
Mind tripper  
Dance sister  
Bring her right here to me  
Mind tripper  
Dance sister  
That ain't no way to change your past  
Just get your head out of your ass  
Mind tripper  
Dance sister  
Keep the faith  
forget the fame  
Don't let your balls go down the drain  
It'll set you free
