All my friends have someone
I need someone too
Someone to hold the whole night through

I need a lover
Someone like you
Someone to make my dreams come true

Maybe if I close my eyes, no
Everything will be alright
'Cause I don't wanna be alone
No more, baby

I want some
I need some
Anybody, somebody
Someone custom built for me
I want some
I need some
Whole lotta lovin' satisfaction guaranteed

I wake in the mornin'
And wrap my arms around no one
Well that no one could be someone meant for me

So I jump out of my bed
And throw my hands on my head
And scream I need a lover just for me

Maybe if I close my eyes we"
Everything will be alright
'Cause I don't wanna be alone
I know that baby

I want some
I need some
Anybody, somebody
Someone custom built for me
I want some
I need some
Whole lotta lovin' satisfaction guaranteed

I want some
I need some
Anybody, somebody
Someone custom built for me
I want some
I need some
Whole lotta lovin' satisfaction guaranteed

I want some
I need some
Anybody, somebody
Someone custom built for me
I want some
I need some
Whole lotta lovin' satisfaction guaranteed

I want some
I need some
Anybody, somebody
Someone custom built for me
